

# Flowers For Peace

***"Israel will blossom and bud"*** Isaiah 27:6

*CJP's Taglit-Birthright Israel Campus initiative encourages you to plant a seed of peace and enjoy the warmth of flowers from Israel. Better yet, join us on an upcoming Taglit-Birthright Israel trip and experience Israel's breathtaking natural beauty first hand.*

# Green Facts About Israel

- *Israel is the only country in the world that entered the 21st century with a net gain in its number of trees.*
- *An Israeli company is providing the technology behind American all-electric buses for urban use.*
- *Since inventing the solar hot water heating system, Israel has become the world's leader in solar energy use per capita.*

## *How to grow your Israeli flowers:*

*These seeds can be planted in flower pots or directly in your garden.*

*Planting Time: Ideally during spring and summer. Planting depth: 1 cm.*

*For best results, plant in an area with maximum sun exposure, making sure the earth stays moist during the period of growth.*

*The enclosed seeds are a mix of LARKSPUR: red, white, pink, blue, purple*
