

Israel Programs for Everyone

Onward 2.0 Summer Internships

Onward Israel offers summer internships matching participants with an internship based on their interests, such as start-ups, NGOs and companies in a variety of industries. Network and build relationships with other young adults with similar interests from around the globe while living in and exploring Israel.

The David Project: Israel Uncovered

This winter trip brings together students of all backgrounds looking to learn more about the Middle East. Each campus leader participants experience the beauty, diversity, and complexity of Israel.

AIPAC Campus Allies Program

This trip is for those who are political activists. Students learn about the Jewish connection to the land, the diversity of Israel, and Israel's democratic and strategic importance as an ally to the United States.

ADL Campus Leaders Mission to Israel

This Anti-Defamation League program is for campus leaders who have never been to Israel. Student Government Leaders, Student Club Presidents, and Student Newspaper Editors will gain a first hand perspective of the country by meeting with its culturally diverse population.

Arava Institute for Environmental Studies

Discover an experience combining cutting-edge environmental academics and research with coexistence education. Our students from the US, the Middle East, and around the world aspire to become the next generation of environmental leaders.

Israel Programs for Everyone

AEPi Greek Student Leaders Mission

Greek-life students of all backgrounds are welcome to join this leadership trip to Israel exploring the region's history and have some fun along the way.

Christians United For Israel

This two-week trip to Israel is for CUF's most accomplished student activists, providing students an opportunity to interact with government, military and religious leaders throughout the region.

Passages to Israel

A way for Christian students to discover the origins of both ancient Biblical faith and of a modern day miracle intersect. The land and the people of Israel have a story to tell. Make Israel's story part of your story.

JNF's Caravan for Democracy

This winter trip run by the Jewish National Fund brings 30 college student leaders of all faiths, who have not visited Israel, will be selected for this important 10-day educational experience. Those in leadership positions on campus are encouraged to apply.

Volunteers for Israel

Volunteer on Israel Defense Forces bases alongside Israeli soldiers! You will be providing a helpful role as you assist IDF soldiers in tasks that allow them to focus on their missions. Tasks include cleaning, repairing, or painting.

ZOA Israel Advocacy Leaders Trip

The Zionist Organization of America leads a trip for campus leaders to explore and learn about Israel. Participants visit strategic areas of Israel, meet with Israeli experts, talk with parliament members, and get a chance to hear first-hand accounts from IDF soldiers.
